

Yokohama Map For Cruise Passengers

This map is compatible with Avenza Maps. You can look at the map on your smartphone or tablet!

Avenza Maps is an app for smartphones and tablets that can be used offline. By being able to use the app offline, you can easily see your current location on a map using your smartphone or tablet's GPS function when you are in the mountains, out to sea, or on an overseas vacation and out of signal range. You can also download places onto the map that you want to go to before you go and download places with pictures that you want to learn about.
